

How can you be involved?

Pray – We ask that you commit to stand with us in prayer.

Give – There is a cost for each team member to go on this mission trip to Mexico. Please prayerfully consider how the Lord may lead you to stand with us by giving financially.

Serve – Over the next several months we will be raising the necessary funds for our trip. Each of those fundraising events present ways you can be involved by serving, preparing and joining us during these events.

We invite you to join us by taking a step of faith through prayer, giving, and serving!

Why take a Faith Step?

Trinity United Methodist Church seeks to serve our world both locally and globally by sharing the life-changing message of Jesus Christ. The mission efforts of the United Methodist Church serve the lost and hurting people who need the hope of Christ. Your Faith Step enables you to partner with both the mission efforts of Trinity UMC and the larger United Methodist denomination everywhere which seek to deliver this hope. Together, we are called to

“preach good news to the poor... to the broken hearted, to proclaim freedom for the captives and release from darkness for the prisoners”
(Isaiah 61:1).

Those once held captive by the powers of darkness are finding freedom in Christ through the mission efforts which serve people’s needs, evangelistic campaigns, church plants and more... Those being involved with missions both locally and globally bring the light of Jesus into the darkest corners of our world. From remote parts of Africa to America’s inner cities, our Methodist family is training, equipping and sending individuals to take the message of hope through Jesus Christ.

⇒ *All this happens because you give to this work.*

What is a Missions Faith Step?

The missions Faith Step is a financial commitment you make to the Lord. It is your commitment to support the global missionary work of Trinity United Methodist Church and the United Methodist Church. As you exercise your faith, believing the Lord will enable you to fulfill this commitment; you are taking another step in His plan for your life. The “faith” part happens when you rely on the Lord to provide for the amount you believe He is calling you to give weekly, monthly, or annually.

The Faith Step

The Faith Step should be entered into after prayer and reflection. Consider this commitment of giving as a process of looking back at God’s faithfulness to you and your family during the past year. After seeing how God has blessed your faith in Him, trust Him to provide “immeasurably more than we could ask or imagine” (Eph 3:20), so that His purposes can again be fulfilled through us. How much extra might the Lord give you this next year? Then, decide on an amount that you sense the Lord is asking you to give, and step out in faith to support the missionary work of Trinity United Methodist Church.

Every Bit Counts

You might be thinking, “I don’t have enough faith to make a real difference.” Consider what a small step can add up to over the course of a year. For example: A Faith Step of \$10 per week adds up to \$520 each year. Every bit counts in our effort to share the love of Jesus locally and globally!

Trusting in the Lord to provide...

Think of your contribution in terms of the impact it will make. As you see God provide for your Faith Step goal, this encouragement will reinforce your faith in the Lord! Remember...your Faith Step is a partnership between you and God – you have committed to a faith adventure, and you are depending on Him to provide the means to fulfill it. It’s up to Him!

Are you Ready to take the Step?

Making your Missions Faith Step commitment requires dependence upon the Holy Spirit. You can only accomplish it as He enables you! Are you ready to step out in faith? He wants you to be involved in completing His Great Commission by telling everyone about Him (Matthew 28:18-20). Your Missions Faith Step is a bold move in that direction!
